Agarwal also added that the Constitution should be followed in letter and spirit and AIOS constitution is a good guide where ROS Constitution does not have clarity or silent. GBM on the basis of majority, decided that

Dr. Arvind Kumar Morya can only be considered for the post of ROS executive if he shifts his practice or work place in Rajasthan in next six months. If he fails to shift within said period his nomination for ROS executive would be null and void and vacancy be filled as per the constitution.

13. By virtue of majority, GBM decided that in the next elections, the contestants should mandatorily fill the declaration form where the attendance in at least 50 % of ROS executive meetings & conferences would be a mandatory failing which they will not be eligible to contest for future elections or holding posts.
