Minutes of GBM oct-28-2023

- Meeting called by President ROS

1.Minutes of last GBM held at Kota 15th October 2022 were passed.

2.local organizing committee was highly appreciated for conducting wonderful conference. Proposed by Dr mukeshsharma

Seconded by Dr T S Ahluwalia

3. Secretary report was presented by Dr. Gulam Ali. He informed the house about purchase of property in the name of ROS/ new member added and total no at present. Report was passed by house. He also informed the house about the matter of OA- that letters of concern were sent various district CMHO offices. DR P K Mathur informed the house about protocol set by Govt about procedure and diagnostic procedure can be done by OA's.

President ROS suggested that we should represent this matter to Govt and direct to specify the work chart of OA. Promotion of their (OA) should not be the issue.

Dr sudhir raised the point of prescription used by OA in their clinic with visiting ophthalmologist name written over it. Dr. TS Ahluwalia informed that NMC is coming with some guidelines.

- Proposed=Dr Sonu Goyal
- Second by= Dr. Laxman Jhala

4.President ROS informed the house about some decisions taken by executive committee meeting on 26-10-23

(a) PG teaching should be charged at least Rs 1000/- to meet the expenses done by LOC.

8. Vice president name was selected by executive committee and declared the name of DR. Neeraj Khunger as next VP.

9. Next conference venue declared = to be held at Udaipur 2024. Dr laxman Jhala invited all members to attend ROSCON 2024.

10. Members achievement Dr. Mukesh Sharma is elected as chairman scientific committee oculoplastic association of India. (OPAL.)

11. Ratification of new members =done

12. Winners of best papers and video declared. By Dr. Vishal.

13. The matter of minimum no bed strength required for chiranjivi yojna was raised. Dr. Kothari and other members suggested that as eye set up is mostly day care centres so matter of bed strength should not be considered. Dr Virendra Aggarwal suggested that if house wants then ROS may take up the issue at higher level. In this house give power to president to form a long term committee for this.

14. The house was informed that a commercial property is purchased in the name of ROS in Jaipur. And advertisement is given in newspaper to search for tenant to give this property on rent or lease.

15. Fire NOC is not required for Day Care Centers, this matter was raised by Members. (eye/ENT/dental) Dr. Virendra Agarwal informed that hospital are required to get Fire NOC renewed after every 5 years whether it is of height ≥ 15 meters.

16.&17. Matter of online voting to select ROS executive body was discussed. Advantage and disadvantages of this was discussed in the

house. President ROS advised that at present pattern of selecting executive and vice president should continue according to present system till the membership no is increased upto a significant level to consider for online voting.

Any other matter with the permission of chair

18.Dr. Harshul suggested that Live Surgery should be done in between the session when audience strength is sufficient. And can be performed/relayed from more than one centers.

19.President sir suggested that all specialties should be given equal representation during live surgical session, apart from cataract/phaco.

20.Dr Mayank suggested the better option is deferred live surgery by unedited video.

21.INFORMATION= By Dr. Mukesh Sharma that Next Year oculoplastic association of India conference(OPAI-2024) is allotted to jaipur, and delegate fee for ROS members will be at with OPAI members.

22.Condolence : one minute silence prayer was done to give homage to our departed members
Dr. Iqbal Bharati, Dr. BS Chowhan, Dr. P P Jain, Nutan Badi and Dr. Anju Hinger.

23.In the last President ROS thanked and highly appreciated LOC JODHPUR in conducting this conference along with Dr. Vishal for excellent Scientific Programme.

24.Dr. Gulam ali gave vote of thanks.
