9. The house ratified the membership numbers up to Membership No. 1227. A total of 99 new members were added during the year. As of the 2023 GBM, the membership stood at 1128, and with the current additions, the updated total is 1227.

10. Many members of the ROS submitted points for consideration at the GBM regarding online voting and the election process for the vice president. These topics were discussed during the meeting, and a majority agreed on the following points: The voting process will be conducted in a hybrid format, allowing for both online and offline participation. This format will apply to all positions, including the vice president, but will exclude the zonal representative position. The zonal representative will be appointed by the respective zonal society to ensure effective local governance.

11. During the General Body Meeting (GBM), a significant discussion took place regarding the voting rights of postgraduate residents. Several members expressed concerns about whether these residents should be granted voting rights. After thoroughly examining the issue and engaging in ample dialogue, a majority of members reached a consensus. It was agreed that postgraduate residents would be granted associate membership throughout their residency. This status allows them to enjoy all the benefits of membership, with the notable exception of voting rights, which will remain unavailable until they obtain their Registration Medical Council (RMC) certification for their postgraduate training.

12. Dr. Sandeep Vijay has put forth a proposal to establish an Election Reform Committee aimed at enhancing the integrity and efficiency of the electoral process. This initiative is intended to address existing challenges and implement changes that will reinforce members' trust in elections..

13. Sandeep Vijay has proposed establishing a Constitutional Amendment Committee. The committee will review and suggest potential amendments to the constitution.

Proposed by all and seconded by dr Sudhir singh.

14. Hon. General Secretary Dr. Gulam Ali raised a proposal during the General Body Meeting (GBM) to provide complimentary registration and one night's accommodation on Thursday for all executive members of the ROS.

15. Some members brought up the issue of selecting the zonal executive. After a discussion in the General Body Meeting (GBM), it was decided that the zonal executive will be chosen through a nomination process carried out by the relevant Zonal or District Society. This nomination process should reflect the collective decision of the society to ensure that the chosen individual genuinely represents the interests and objectives of the zone and has an enthusiasm to serve ROS.

Proposed by all seconded by Dr PK Mathur

16. Lifetime Achievement Award Reimbursement Guidelines passed by house.

Recipients of the Lifetime Achievement Award are entitled to certain reimbursements to ensure a comfortable experience during the event. This includes complimentary registration for the ceremony, reimbursement for travel in the form of second AC train fare, and accommodation coverage for a two-night stay. The hotel stay will be arranged at the venue's hotel, provided there is availability. Should the venue hotel be fully booked, a similar hotel nearby will be selected to ensure a convenient stay.

Proposed by all seconded by Dr Rajkumar Sharma.

17. The point of implementing a cooling-off period between two terms for executive roles was raised by several members. This matter was thoroughly discussed during the General Body Meeting (GBM). After careful consideration, it was decided that introducing a cooling-off period would ensure that new individuals have the opportunity to take on leadership positions and contribute to the organization, fostering a more diverse range of perspectives and experiences in serving the community.

Proposed by all and seconded by Dr Sandeep Vijay

18. The executives have received emails and messages from ROS members expressing concerns about live surgeries at the annual conference. This issue was discussed during the General Body Meeting (GBM). The majority of members present supported the continuation of live surgeries but emphasized the need for greater variety in the procedures performed.

Proposed Dr sudhir Seconded by Dr Madhu mathur

19. The President, Dr Sanjiv Desai, announced that the AIOS Conference 2026 has been allotted to Rajasthan, and the executive committee has submitted the names of five key members who will comprise the core organising committee. The designated members are as follows:

- *Organising Chairman:* Dr. Virendra Agrawal
- *Joint Organising Chairman:* Dr. Sandeep Vijay
- *Chief Organising Secretary:* Dr. Mukesh Sharma
- *Organising Secretary:* Dr. Harshul Tak
- *Treasurer:* Dr. Gulam Ali Kamdar

The roles and responsibilities of the core committee members have been outlined in a communication sent to the AIOS office, reflecting decisions made during a seniors meeting held in Jaipur.

Proposed by Dr V K Sharma

seconded by Dr P K Mathur.

20. The ROS executive received a proposal from Dr.
